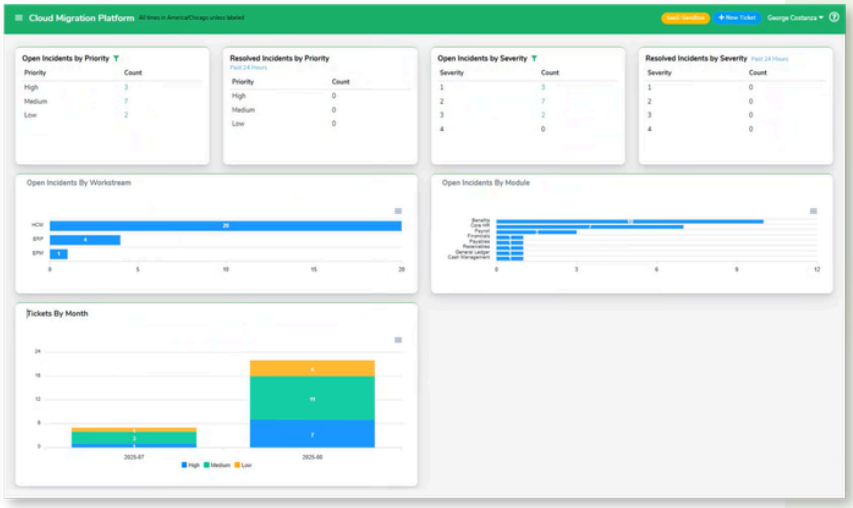
MYTHICS

Peace of Mind for Your SaaS Applications

MYTHICS MANAGED SERVICES FOR SAAS APPLICATIONS

Ensure the Continuity and Effectiveness of Your Critical Oracle Applications

Moving your key Oracle applications to a SaaS environment was a big decision. How can you be sure they will perform to your standards now and into the future? Mythics Managed Services for SaaS keeps your Oracle ERP, HCM, SCM, and EPM applications running at peak performance. From Break-Fix incident support and Root Cause analysis to Training and Road Map Reviews, our deep experience with Oracle applications gives you peace of mind for your SaaS investment.



Key Benefits of Mythics Managed Services for SaaS

Rely on Mythics Experience
Mythics helps you design a plan that keeps your Oracle SaaS applications running smoothly. Simplify administration by letting our team handle the common, standard activities. We also provide added support for higher-than-normal or seasonal activity spikes, and give you options for your SaaS Managed Services.

Maximize Your Efficiency
When Mythics handles the day-to-day management, your IT team is free to focus on higher priorities. Along with expert support, you get a predictable cost structure and a dedicated team for your Oracle SaaS applications.

Expert Guidance
Mythics is an experienced partner as you plan your future SaaS or Cloud strategy. We understand what it takes to connect SaaS applications to other business systems, and we bring more than 25 years of Oracle integration knowledge to help move your business forward.

MYTHICS

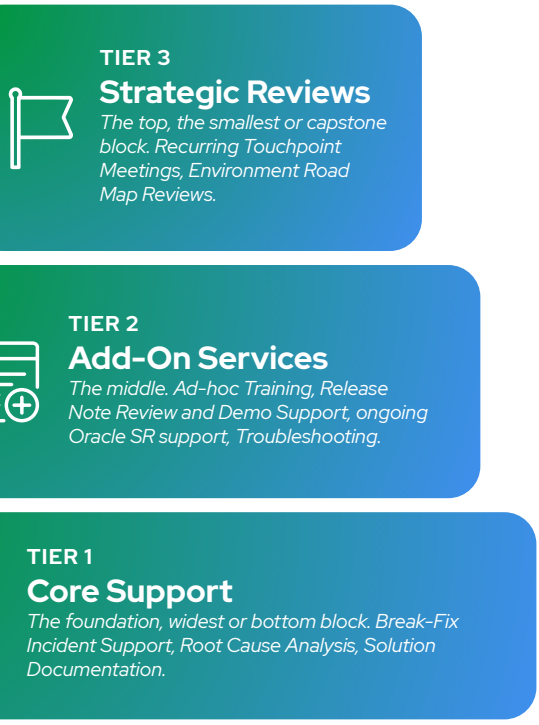
MANAGED SERVICES FOR SAAS APPLICATIONS

Choose Your Managed Service Coverage

Start with a simple monthly allocation of consultant hours. That covers Break-Fix Incident Support, Root Cause Analysis, and Solution Documentation.

Need more? Add Ad-hoc Training, Release Note Review and Demo Support, ongoing Oracle SR support, or Troubleshooting for current issues and new reports and interfaces.

Finally, **add Recurring Touchpoint Meetings and Environment Road Map Reviews** to keep your SaaS environment on the right path. Your Mythics SME will guide you to the right mix of services for your Oracle applications.



Why Choose Mythics?

Expertise You Can Trust
